## **LOCAL INTEREST**

### LOCAL INTEREST

During the month of December the ground echelon at APO #72 were again "sweating out" another move. During December quite a few of the combat crew members back at APO #565 were granted leaves in Sydney. Needless to say everyone had a good time and came back completely broke.

Around Christmas time the ground echelon were working again, preparing for another move to APO 321. This time they had a very rough and hair-raising boat ride, but everyone came through all right. A rear echelon was left at APO #72 to bring up some equipment that was left behind.
